

# PROTECT YOUR LOVED ONES BY GETTING YOUR UPDATED COVID-19 VACCINE

**Older adults are at high risk for severe illness from COVID.**

**Updated COVID vaccines are here for everyone 5 or older to help protect against Omicron.**

**It doesn't matter which COVID vaccine you got or how many boosters you've already gotten.**

**Get your updated vaccine 2 months after your last dose.**

**Find updated vaccines near you:**

- ▶ Visit [vaccines.gov](https://www.vaccines.gov)
- ▶ Text your ZIP code to 438829
- ▶ Call 1-800-232-0233
